Ladies Luncheon Update

“A Razzle Dazzle Kind of Day” has come and gone, but in its wake, it has become a fond memory. We loved the venue, clothes, food, and music. When was the last time you were up on your feet dancing and singing to “YMCA”? Picture in your mind 85 women standing and swaying to this music waving their credit cards in the wind to “come and get me”?? We had a great time!!! We would like to relive that moment next year with the same venue and buffet menu. Our models were absolutely stunning as they modeled the clothes from Razzle Dazzle. We cannot thank them enough for their participation (Mary, Jo, Roberta, Karen, Joetta, Kate, Judy, Shirley, and Neva). Tickets sold like hot cakes due to our ticket sellers: Ruth Ann, Judy, Sandra L, Ruthie, Sandra Z, and Suzanne. Roberta made our table centerpieces. They were raffled off at the end of the show. Word has it, she is already thinking about table décor for next year!! Thankfully, we were able to accommodate ladies up to the last minute for tickets. Do not wait so long next year! The donations for our raffle were amazing. Nancy Devlin was in charge of raffle donations. We were able to raise almost \$500.00 through the generosity of our residents and local businesses. Thanks to our residents who donated prizes, but a special thanks to the businesses in our area who participated in this event: Daddy Dee’s Ice Cream Parlor, Smoke ‘N Pit BBQ, Bayshore Café, Compass Rose, Water to Go, Subway, JJ Nails, BG’s Hair Salon, Stamatis Family Restaurant, and Barbara Mann. If, we have missed recognizing any business, please let us know so we can revise that in the next newsletter. Please visit these places when you need services they provide. Special thanks to the Ladies Luncheon Committee who were able to pull this all together in a very short time even though there was a change in venue, clothing store, date, and finally menu. Members were: Sandra L, Judy, Elaine, Ruth Ann, Marcia, Jo, Barbara, Suzanne, Roberta, and Nancy. It was truly a fun day! Sign up early to be on a committee, model, round up donations, sell tickets, or just to join in the fun!

HOA PRESIDENTS LETTER

It's hard to believe that we are already half way through this winter season at Foxmoor. Thankfully, the warm weather has returned so that we can all enjoy the many outdoor activities in our community.

HOA had its Annual Meeting on Thursday, February 21, 2019 - which we could not conduct as we did not have a quorum. If you cannot attend the annual meeting, please do send in your proxy. The Executive Committee welcomed a new Long Leaf representative, Maura Redmond. Maura replaced David Allen. At the reorganization meeting the members of the Executive Committee elected officers for the coming year. They are myself, Sandra Lignell, President; Wilma Kime, Vice President; Barbara Gastauer, Treasurer; and Jerry Allen, Secretary.

Due to resignations, HOA needs to replace two Executive Committee members, please contact myself or Barbara Gastauer if you are interested in serving. Even though we did not have a legal quorum, the board answered unit owner questions and the session concluded at 7:41 PM.

Official Foxmoor mail for residents! For residents who are seasonal; please inform our management company to switch your mailing address to here so that you receive timely information. Also, when you are traveling back to your northern homes, change to that address. You can email, telephone or change your address through the Compass Rose web portal.

Sandra Lignell, President

News from Longleaf

It is my pleasure to now serve as representative for Longleaf Drive and hope to assist the Master BOD and HOA Committee wherever there is need. Some residents may know me as a vocal contributor to the monthly member meetings; others may have spotted me gardening or removing rogue items from blue recycling bins. I grew up and studied engineering in Boston, have been living in Florida since 2005 and in my home at 5611 Longleaf since 2014.

Occasionally my thumbs are green though I am always interested in sharing plant stories, strategies and samples. I am constantly looking for ideas to plan my back yard, if ever the shopping plaza stops their rain water from flooding it on route to Libby's Lake. (Yes, that still continues.) I appreciate all nature, even the yellow belly sapsucker you might see mornings in my front yard tree. This past October I was happily busy fostering Longleaf's feral orange tabby's final litter of five kittens. I anticipate getting to know additional neighbors from our community, and I will apologize now in advance as I am terrible remembering names. Feel free to offer feedback 17redmond@gmail.com.

Arbor Lakes I

Hello Friends,

Another Lakeside Dinner has come and gone. We had 32 people for Make Your Own Taco Night. Thank you to John for the awesome food, and for always being the great entertainer!

In preparation for the upcoming hurricane season, the large hardwood trees were topped, and all the palms were trimmed. Everything is looking great!

Volunteers are needed to clean the globe lights on the property. If you are interested in helping, please see me or Dorie.

We wish Diane a speedy recovery following surgery on her broken foot.

Many thanks to Dorie, John W. and Corky, for once again volunteering to serve as our Board of Directors:

Thankful that our lake is finally clearing up it sure has been brown.

We are getting some of the ducks and birds back that like to watch.

Sure hope everyone escapes the flu so they can enjoy the sunshine and activities going on.

Arbor Lakes III March Newsletter

Is it really already March???? Time sure flies when everyone is having their own version of fun.....

That said.....this has been an active month for AL 3.....our annual meeting was held and the officers elected are:

Gary Olmstead: Secretary, Treasurer

Maria Paige: President, Vice President

John Sobczak: Director

We have just had our palm trees and bottle brush trees trimmed and will be working on replacing some plants that have gone up to plant heaven. In addition, we are replacing the exterior lights on Building # 15000 and are making plans to paint Building # 5715 prior to the upcoming rainy season.

Lastly, it with sadness that I learned of the death of Gene Pendergast, husband of Jackie, this past January. Gene and Jackie purchased unit # 2 in Building # 15000 last Fall. Jackie is making plans to come back down in mid March.

Respectfully submitted,

Maria Paige, President, AL 3

Arbor Lakes IV

Hi Neighbors!

Hope everyone is doing well.

We had a meet and greet for our Association on Sunday, of course, since it was cold, we held it at The Club House. The food was delicious and the getting to know everyone was a lot of fun. We had and still do have some large aggressive alligators in our ponds, we have had some removed, but there are still a few aggressive ones left. So if walking around the ponds, just be extra cautious.

Don't forget our AL4 Annual meeting is scheduled for Thursday, February 14th at the LaPosta Club house at 6pm.

See you on the walking trails

March, 2019

Although this month welcomes Spring, it certainly seems as though it has come early! First let me thank all the Village members who have offered wise counsel in the wood building refurbishment project. We have utilized every single suggestion in the contract process. You have taught us and made the venture so much more protective of our interests. For that we owe you a big Thank You!! Our management company, Premier CAM Services, Inc., will be notifying those home owners and residents who need timely information throughout the process.

Just a note to residents who place large items aside the dumpster. These will not be picked up unless you contact the waste management company. If you place items there, please be responsible and contact our waste services at:

Palm Lakes

MARCH 2019

The recent elections for 2019 Palm Lakes Board of Directors chosen are as follows:
Bruce Barnes, John Kelly, Patricia Rowlands, Mary Schnabel, and Andre Prouix.

The annual Foxmoor Ladies Luncheon was in February at Sabel Springs Golf and Racquet Club. The women's clothing store Razzle Dazzle put on a fashion show. The food and the show were both excellent. Be sure to watch for the 2020 luncheon if you missed this year's.

If you find any insects in your home remember to call Compass Rose to report it. They'll have a company come out and spray. Your association dues pay for this service. You do NOT have to call a company out and pay for it yourself.

I recently ran across an interesting statement. It states:
Be selective in your battles, sometimes peace is better than being right.

Bocce

BOCCE March 2019 Newsletter

As the 2019 season opened on January 24 with a splash. The first day's scheduled games were canceled due to heavy rains. The rains, however, did not dampen the luncheon turn out. Over 70 people enjoyed lunch at the clubhouse that day. The missed games were completed on the following Tuesday (1/29). As the season moves on, our numbers continue to swell. We have 95 registered participants this year.

After 5 weeks, we still have 2 undefeated teams, #12, *Four Roses*. & #1, *Ospreys*. Only 1 team has yet to taste victory

The Sports Banquet is scheduled for March 29, 2019. Once again, I ask you to consider donating prizes for the raffle. Local businesses with which you have a good relationship are often willing to accommodate their clients by donating their products or gift certificates.

Be sure to check out the current standings, schedules & updated rosters at the Premier CAM Services web site (<https://premiercams.net/arbor-5-bocce>). Please consult this website for the most current information.

If you have any questions, please contact Ray Healy or Daryl Davidson.

Pickle Ball News

Stop the presses! Exciting News! The Master Board is looking into redoing lines on the tennis courts so we would have four Pickleball courts instead of just two! This is great news! Because of an increase in the number of players this season, sometimes there is a wait in court availability. The purchase of portable nets would be required to accommodate this new set-up. Looking forward to this new arrangement.

Tuesday, Thursday, and Saturday from 8:30 -10:30 is still the standard meeting times for playing, though many times players stay longer for a little more fun. Players have been known to set up alternate times with people, just because they want more time on the courts.

Monday evenings from 6:00-7:00 has been set aside for beginners or people who would like to just "try" the sport. Paddles and balls are available in the clubhouse for beginners use. We try to schedule a person each week to be available to help new players with technique (serving) and rules. Please wear appropriate shoes to prevent accidents.

Look forward to seeing you there!
